E. F. SLOCUM,

The Election in Alabama. be Democratic party in Alabama been holding a session in Montgomto consider what course should be red at the election on the dis and Jah ebraary, upon the ratification of the powed constitution. At first the Demoke party claimed that they had a many of the votes of the State, and would store vote down the constitution.

vote down the constitution;

There was a bill introduced into Con-cress in the early part of the session, pro-posing its amend the law in regard to what should be considered a majority in these Southern elections. There is no provident is an State law or constitution which requires that a question submitted to the popular vote, to be radified, must be approved by a majority of all the voters, to the Billion and a requirement is us-I desire, through the medium of your particular the early part of the session, promise to mend the law in regard to it should be considered a majority in the Southern elections. There is merision in any State law or constitution the requires that a question submitted the popular voic, to be radified, must be covered by a majority of all the voters be State; and, a requirement is unwaited to the theory of our government. As the city covernment, have been the received by a majority of a superior to the description of the strandard product of

my man's stitude was the late of the calculation of

Aner's aner's speece, in which the reverdent stated that the landscapes, every one,
had been found unworthy to recedire the
Turner media, he opened a pagair presented
him by the Secretary, and read a few words
that we'r received with treatment of the words
that we'r received with treatment of the words
that we're received with treatment of the precessor, if I cacept the imperiarbanes
tear; but they seemed to deptify the recedents, who as not doubt preseadementain, who were no doubt preseadementains, who were no doubt preplanded and was seconded hardly received
the shock. The daughter of the Presiin her expression of delight; her. herster applanded and was seconded by a choust of
claps from the students behind; that was
almost defacting. Everbody was similar
her expression of delight; her. herster applanded and was seconded by a choust
a first way to be a first of the reseat near the middle clafe, from whence a
young, delicate girl was seen with difficulty
making her way. As she Kurrind down
towards the speaker's dook, and trem blingly
mounted the two or three slaps leading up
to it, she looked so white, so agitated—so
hie a filty waying in the brease—that—sho
her a filty waying in the brease—that—sho
had a way on the supposed to be pemalizely womanish; but she did not, jortsmakely, although, like everyone cles, she
was more or less moved by so unexpected,
ou unusual, yet so well-descrete an honor.
I don't know what it could have been; it
was not a moment when one's own or
another's enortions could be analyzed; but
there was senorthing to do with the impression
created, for laywas that of delicey, refinement and entities to see with a of form and
color; and as she stood there on that pedasthy which ment the pedas of the mandcolor; and as she stood there on that pedasthy who and the stood there on that pedasthy who are the face might have realized some
accultor's dream of green. Thes, litothree was secondary or alon and give her
the medal, her face might have realized some
accu

feeling of universal interest and animation. The other recipionts of the evening's howers were all young men, one of them the sor of an academiclan—Mr. Goodall—whe inherits his father's talent to a wonderfudegree.
